## Annual Report 2025–26

### ★ Annual Report – Academic Session 2025–26

Welcome to another remarkable chapter in the journey of our institution. The academic year 2025–26 has been a year of learning, innovation, achievement and holistic development. Guided by the vision of nurturing responsible, confident and compassionate individuals, the school continued to provide quality education blended with values, creativity and leadership opportunities.

### ■ Academic Excellence

Academic growth remained our foremost priority throughout the session. Students showcased outstanding performance in scholastic activities, examinations and subject enrichment programmes.

Consistent academic progress was observed across all classes.

Students actively participated in Olympiads, quizzes and inter-school academic competitions.

Special focus was given to experiential learning, competency-based education and NEP 2020 practices.

Remedial and enrichment classes were conducted to support individual learning needs.

Our dedicated teachers continued to inspire students through innovative teaching methodologies and digital learning integration.

### 🏆 Sports Achievements

The school proudly celebrated excellent participation and achievements in various sports competitions during the academic session 2025–26.

Students participated in district and block-level tournaments organised under SGFI and Sansad Khel Mahotsav. Achievements included participation and ranking in cricket, tug of war and shot put events.

### Notable highlights include:

Students represented the school in Cricket at District and Block Levels under SGFI.

The Girls' Tug of War team secured 3rd Rank in Sansad Khel Mahotsav.

Student Mavi Prajapati (Class 9) achieved 1st Rank in Shot Put.

These accomplishments reflect the spirit of teamwork, discipline and perseverance nurtured by the school.

## Co-Curricular Activities:

The institution strongly believes that education extends beyond textbooks. Throughout the year, students enthusiastically participated in:

Debate and elocution competitions

Art & craft exhibitions

Dance and music performances

Science exhibitions and club activities

Literary and cultural events

Yoga and wellness programmes

These activities helped students build confidence, creativity and leadership skills.

## Teacher Empowerment & Training

Continuous professional development remained a key focus area.

Teachers attended workshops and training programmes on:

NEP 2020 implementation

Artificial Intelligence & Computational Thinking

Digital pedagogy

Classroom management strategies

Value-based education and student wellbeing

The school believes empowered teachers create empowered learners.

## Infrastructure & Innovation

During the session, the institution continued enhancing learning resources and campus facilities.

Key developments included:

Upgradation of smart classroom facilities

Improvement in science and computer laboratories

Enhancement of library resources

Focus on activity-based and experiential learning

Introduction of meditation and life-skill practices for emotional wellbeing

The school strives to create a safe, modern and student-friendly learning environment.

---

## Social Responsibility & Value Education

The school actively encouraged students to become socially responsible citizens through various awareness programmes and community initiatives.

### Activities included:

Cleanliness and environmental awareness drives

Tree plantation programmes

Health and hygiene awareness

Community service activities

Compassion and value-based learning initiatives

Students were encouraged to develop empathy, discipline and a sense of responsibility toward society.

---

## Gratitude & Vision Ahead

The achievements of this academic year would not have been possible without the unwavering support of our management, teachers, parents and students.

As we move forward, we remain committed to fostering academic excellence, strong values, innovation and holistic development in every learner.

Together, let us continue building a future filled with knowledge, character and compassion.

“Education is not only the learning of facts, but the training of the mind and heart to create a better world.”
